#### **About Mineta San José International Airport**

Mineta San José International Airport (SJC) is Silicon Valley's airport, a self-supporting enterprise owned and operated by the City of San José. SJC served 9.6 million passengers in Fiscal Year 2015, a 5.4 percent increase year-over-year. SJC offers approximately 150 peak daily flights on 12 domestic and international carriers to 34 nonstop destinations.

SJC's five-star customer service experience sets it apart from other Bay Area and US airports. Airlines and passengers respond positively to SJC's customer amenities, including modern terminal buildings, free and fast WiFi, comfortable seating with built-in power outlets, a luxurious, award-winning lounge open to all travelers, a duty free store offering an enhanced shopping experience, a rental car center conveniently located across from the terminals and Global Entry kiosks to expedite arriving international passengers. Silicon Valley's airport is located in San José, California's third largest city and the nation's tenth largest city. SJC facts can be found [here](#).
